SPECIFICATIONS	41-44
A NEW DIRECTION	45-46

The all-new Jazz range has arrived with an advanced e:HEV hybrid powertrain and dynamic, modern looks. Spacious on the inside and compact on the outside, it really is the complete, clever car.

Choose between the sophisticated and stylish Jazz hatchback or the new, active lifestyle Jazz Crosstar derivative with its SUV-influenced design.

THE ALL-NEW JAZZ A HYBRID TO FIT YOUR LIFE

e:HEV HYBRID TECHNOLOGY

Our next generation e:HEV Hybrid technology provides a dynamic, electrified driving experience giving the new Jazz range high performance and economy with low emissions. All models have an electric drive mode enabling the car to run on 100% silent, electric power.

This advanced technology makes the new Jazz more relevant than ever in today's driving environment.

SOPHISTICATED DESIGN

The new Jazz range has been designed with a clean, seamless profile that's aerodynamically efficient and effortlessly stylish. Every detail gives the Jazz a smart, contemporary look and a unique personality.

LIVING SPACE

The interior of the new Jazz is beautifully simple and incredibly comfortable, with soft-touch materials and clear displays. A new 7" digital driver display and 9" Honda CONNECT touchscreen allow you to view essential information quickly and easily.

The remarkable feeling of space is accentuated by the sleek dashboard with ergonomically designed controls and a wide, unimpeded view of the road.

UNRIVALLED FLEXIBILITY

Whatever you fit into your life, will also fit into the new Jazz. Our ingenious Magic Seats give you the versatility you want, just when you need it.

The rear seats can be configured in a variety of different ways in one easy motion, giving you the flexibility to carry almost anything from surfboards to small trees. They fold flat and dive-down to the floor for extra load space, or flip-up, allowing you to take advantage of the car's full height from floor to ceiling.

VIEW LIFE IN WIDESCREEN

Enjoy exceptional visibility thanks to the panoramic windscreen, ultra-thin A-pillars and hidden wipers. This enhanced field of vision gives a confidence-inspiring driving position with minimal blind spots and allows light to flood into the cabin, enhancing the already impressive sense of spaciousness.

Model shown is the Jazz 1.5 i-MMD Executive in Platinum White Pearl.

COMFORTABLE AND VERSATILE

The front seats have been designed with anti-fatigue properties to provide limousine class levels of comfort. Thoughtful touches like the wide centre armrest with storage and USB ports in the front and back ensure everyone can enjoy the journey.

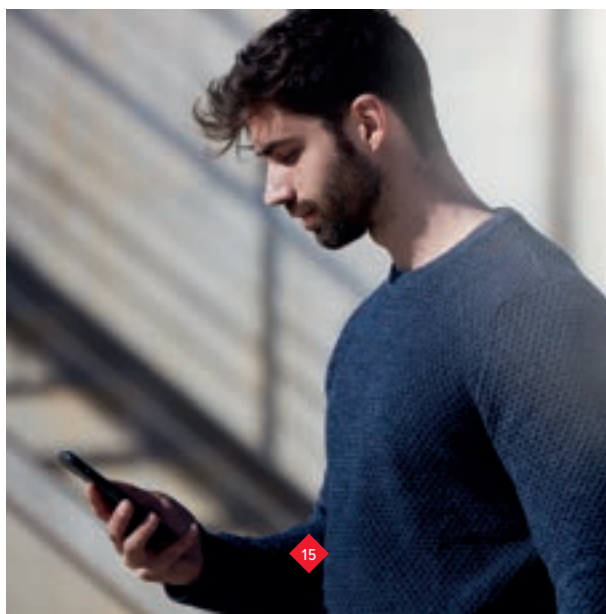

Model shown is the Jazz 1.5 i-MMD Executive in Platinum White Pearl.

LIFE'S BETTER CONNECTED

Life's better when you feel connected. The new Jazz range seamlessly connects you to your world with our latest infotainment technology. Naturally, DAB digital radio is included to give you the widest selection of stations while the new 9" touchscreen features a familiar, smartphone style display and usability with Android Auto and Apple CarPlay* integration.

*Apple CarPlay is a trademark of Apple Inc., registered in the U.S. and other countries.
For full specifications, please refer to pages 41-44.

COMMAND PERFORMANCE

Our advanced e:HEV Hybrid technology achieves an exceptional blend of effortless driving performance and impressive fuel economy. It's been designed to provide a responsive, smooth and efficient driving feel in all circumstances. The specially developed electric motor supplies an immense 253Nm of torque, to get you going, and is coupled to a lively 97PS petrol engine to sustain your driving needs. In the new Jazz, that fun-to-drive sensation is never in short supply.

e:HEV technology is clever, because it constantly monitors the performance and economy of your Jazz to determine the most suitable power source. It then delivers the car's optimum energy smoothly and seamlessly by automatically switching between three driving modes: engine drive, hybrid drive and a pure electric EV drive.

Model shown is the Jazz 1.5 i-MMD Executive in Platinum White Pearl.

KEEPING YOU SAFE

The new Jazz range incorporates our latest Honda SENSING suite of advanced safety and driver assistive systems. Supplementary safety has been enhanced with a new centre and driver's knee airbags and intelligent side airbags for the rear. Helping to keep you and your passengers safe and sound.

COLLISION MITIGATION BRAKING SYSTEM

If there is a possibility of a collision with a vehicle or a pedestrian, the system will alert you whilst simultaneously reducing your speed, helping to minimise the severity of any impact. We have now improved the system with night-time operation to detect pedestrians or cyclists where there is no street lighting; it even applies the brakes if oncoming vehicles cut across or turn into your path.

LANE DEPARTURE WARNING

If the car moves out of its lane without you activating the indicator, then alerts will flash and sound, to help bring your attention to correcting the lane drift.

TRAFFIC SIGN RECOGNITION SYSTEM

The Traffic Sign Recognition system identifies traffic signs and relays this information to you via a visual display. Two signs can be displayed at any one time.

LANE KEEPING ASSIST SYSTEM

Helps keep you in the middle of your lane, providing a less stressful driving experience by reducing the need for steering correction movements and driving effort on the motorway.

INTELLIGENT SPEED LIMITER

Cleverly combines the existing adjustable speed limiter function with the Traffic Sign Recognition system, to automatically set the speed limit to that which the Traffic Sign Recognition system detects.

ADAPTIVE CRUISE CONTROL WITH LOW SPEED FOLLOW

This function maintains a set cruising speed and following distance relative to the vehicle in front of you. If the detected vehicle comes to a stop, the function will decelerate and stop your vehicle without you having to keep your foot on the brake. Once the car in front starts moving again simply tap the accelerator to resume the operation.

AUTO HIGH-BEAM HEADLIGHTS

Detects a vehicle in front, including oncoming vehicles and automatically switches between high beam and low beam.

BLIND SPOT INFORMATION

This clever device makes lane changes and overtaking safer, warning you when vehicles are detected in your blind spot by illuminating a light in your door mirror.

CROSS TRAFFIC MONITOR

When reversing, the Cross Traffic Monitor can detect approaching vehicles from either side and warns you of imminent danger.

PERSONALISATION

Honda genuine accessories have been designed and built to the same exacting standards as every Honda. All you need to do is choose the options that are right for you.

FUNCTIONAL FUN PACK - ORANGE

Dare to be unique and make your new Jazz stand out by adding tasteful colour touches on both the exterior and interior, complementing the cars dynamic design. **The pack includes:** a Front Grille Decoration, Door Mirror Covers, Side Body Trims in material with Tuscan Orange Colour Inserts, a Rear Bumper Decoration and Elegance Floor Mats. The Functional Fun Pack is also available in white.

Image shows optional 16" JA1601 alloy wheels.

FUNCTIONAL FINESSE PACK

Make your new Jazz stand out in a stylish way by adding premium silver coloured items both on the exterior and interior, complementing the cars dynamic and vivid design. **The pack includes:** a Front Grille Decoration, shiny black painted Side Body Trims with EU Matte Silver Colour Inserts, a Rear Bumper Decoration and matching Elegance Floor Mats.

Silver Mirror Caps are not included in the Functional Finesse Pack but are available as an optional extra.
Image shows optional 16" JA1601 alloy wheels.

CONVENIENCE PACK

The Convenience Pack is a selection of accessories stylishly designed to protect your car from scrapes, scratches, mud and sand. **The pack includes:** a Foldable Boot Mat, Front and Rear Lipped Rubber Mats, Door Sill Trims and a Tailgate Strap.

FOLDABLE BOOT MAT

This new Foldable Boot Mat protects your boot and part of the loading floor when the seats are down. This mat comes with a flexible flap to prevent scratches.

DOOR SILL TRIMS

These Door Sill Trims add a personal touch to your car while protecting the door sills from marks and scratches. They are crafted in stainless steel and have an eye-catching, etched Jazz logo. **One set includes:** two front Door Sill Trims.

TAILGATE STRAP

This Tailgate Strap is an indispensable item that makes closing your boot that much easier.

FRONT & REAR LIPPED RUBBER MATS

The Front and Rear Lipped Rubber Mats with raised edges are made to protect the front and rear footwells. They are made from tough - yet easy to clean - material and feature the Jazz logo.

One set includes: Front and Rear Lipped Rubber Mats.

FRONT WHITE AMBIENT FOOTLIGHT

The front footwell becomes illuminated by unlocking or opening the doors and gives a soft, cool glow to the interior of your car.

ILLUMINATION PACK

The Illumination Pack uses a combination of lights to give an ambient atmosphere to the interior of your car. **The pack includes:** Front White Ambient Footlights, Illuminated Door Sill Trims, "Illuminated Door Linings and a Centre Console Illumination.

DOOR LINING ILLUMINATION

The door lining becomes illuminated by turning on the ignition. This accessory is fitted to the door handles and door pockets, emitting a cool, calm white light.

CENTRE CONSOLE ILLUMINATION

The Centre Console Illumination is activated by unlocking or opening the doors, giving the centre console area of your car a soft white illumination.

ILLUMINATED DOOR SILL TRIMS

These Illuminated Door Sill Trims are crafted in brushed stainless steel and feature an illuminated Jazz logo. As well as looking good, they also protect the inner door sills from marks and scratches.

The kit includes: two Front Door Sill Trims.

CARGO PACK

If you frequently transport luggage or specialised equipment, the Cargo Pack will help keep it organised and secure. **The pack includes:** the Boot Tray, an LED Cargo Light, a Rear Bumper Foil and a Boot Sill Decoration.

THULE ROOFBOX 410L

This sturdy, waterproof box, which is Thule certified by Honda, gives you an extra 410 litres of storage space. It features the Power-Click system for easy mounting, an anti-theft lock and Dual-Side opening. Its dimensions are 175cm length, 86cm width and 46cm height.

BICYCLE CARRIER*

Take your bicycle with you by adding the roof bicycle rack with an anti-theft locking device and metal frame. The 'Easy Fit' provides a slot that keeps your bicycle upright so your hands are free to securely strap it down. Maximum bicycle load: 20kg.

*It's possible to carry up to 2 bikes, but only in combination with crossbars on the Crosstar.
*Image for illustrative purposes only.

ROOF CARRIER

Increase your car's carrying capacity with a secure roof base carrier. It includes 4 locks and has a maximum load capacity of 30kg or one bicycle.

SKI AND SNOWBOARD ATTACHMENT

Easy-to-use ski holder for one or two pairs of skis (depending on the size of the skis) or 1 snowboard. The skis or snowboard are securely fastened between two rubber profiles that protect the equipment and can be easily fitted without tools. It includes locks and weighs 3.6kg.

*Image for illustrative purposes only.

WINDSHIELD COVER

This Windshield Cover is a shield against the elements as it will protect the mirrors and front side windows from heavy weather when your car is parked outside.

It features the Jazz logo.

TAILGATE SPOILER

If a sophisticated look is what you desire, this Honda Genuine Spoiler is exactly what you need. Our spoilers are specifically developed to match each individual car model and only the highest quality accessories can pass Honda's extensive testing. Furthermore, this sleek spoiler is fully integrated into the car's bodywork and is available in all colours.

15" JA1505 ALLOY WHEEL

The 15" JA1505 wheel design features a diamond cut A-surface with shiny clear coat and Gunpowder Black windows.

16" JA1601 ALLOY WHEEL

The 16" JA1601 wheel design features a diamond cut A-surface with a shiny clear coat and Gunpowder Black windows.

PARKING AID CAMERA*

Reverse in total safety and confidence with the Parking Aid Camera. It displays a full rear view on the navigation screen, so you always know what's behind you.

The kit includes: a parking camera and attachment.

ELEGANCE FLOOR MATS

These elegant and comfortable fitted carpets, with black nubuck binding, have a woven Jazz emblem for durability. **One set includes:** front and rear mats.

* Fuel consumption figures, sourced from EU regulated laboratory test results, are provided for comparison purposes and may not reflect real-life driving experience. The Honda Jazz has been subjected to the new WLTP CO₂ and fuel consumption testing cycle in accordance with Commission Regulation (EU) 2017/1151. WLTP figures better reflect the actual performance of the vehicle when driven on the road. During the transition phase between NEDC (the former testing regime) and WLTP, NEDC values for CO₂ and fuel consumption will remain available in accordance with Commission Regulation (EU) 2017/1153.

A NEW DIRECTION

At Honda, we are always looking to make technology more useful and to find ways of making the world a better place. We were the first manufacturer to sell hybrid cars in Europe and have over twenty years of experience with electrification.

Now we have committed to make all our mainstream models electrified by 2022 ensuring higher economy, lower emissions and a cleaner environment.

The all-new, all-electric Honda e is the next step on this exciting journey, with a unique combination of dynamic performance, refined comfort and cutting-edge technology. Recharging is fast, reliable and effortless thanks to our Honda Power Charger, which can be easily installed at your home or office.

Welcome to the next generation.
