SALOON, MEET SPORT.

 BUILD YOUR OWN

To create a four-door saloon which is as fun to drive as a sports car is no mean feat. But, the redefined XE comfortably meets that criteria. Inspired by F-TYPE – our high-performance car – it's packed with enhancements, innovations and technology. It rewrites the rules of how a compact saloon should behave, and it embodies everything Jaguar is famous for: stylish good looks, precision engineering and a palpable sense of excitement.

EVEN STANDING STILL, IT LOOKS FAST.

Like all Jaguars, XE instinctively manages to catch the eye. From its muscular stance and sculpted bonnet, to the bumpers, 18" alloy wheels fitted as standard, front grille, Premium LED headlights and LED tail lights, you can tell at a glance that this is one extraordinary sporting saloon.

WELCOME TO YOUR XE WORLD

Get behind the wheel of an XE and you feel like you're sat in a sports car. You'll find yourself comfortably cocooned by its wraparound dashboard. You'll note the split rim steering wheel and 'cricket ball' stitching on the sport seats*. You'll truly appreciate the impeccable form-hugging 12-way adjustable front seats for increased comfort. And you'll no doubt enjoy the enhanced design throughout. In fact, there's every chance you may never want to leave.

*R-Dynamic models only.

INTERIOR SHOWN: XE HSE WITH LIGHT OYSTER DIAMOND PERFORATED WINDSOR LEATHER SEATS WITH EBONY/LIGHT OYSTER INTERIOR. OPTIONAL FEATURES ALSO FITTED (MARKET DEPENDENT). YULONG WHITE IS NO LONGER AVAILABLE.

A refreshed cockpit-style interior offers outstanding levels of comfort, and the raised centre console adds to its sportiness. Everything revolves around you and was conceived with you in mind, with the SportShift Selector and JaguarDrive Control central to its seamless design. The upper and lower Touchscreens* allow for dual tasking, so you can use navigation guidance while adjusting the climate to suit your preferences. Now when you settle into that plush leather seat, you'll connect with the car straight away. Just reach for the pulsing start button – a more engaging driving experience awaits.

*Optional feature.

In-car features should be used by drivers only when safe to do so. Drivers must ensure they are in full control of their vehicle at all times.

YOUR XE

Jaguar cars are renowned for innovation, imagination and style with a British twist – and XE is no exception. From nods to our heritage infused with contemporary elements – such as monogram quilting and etching designed around the Jaguar logo on the leather upholstery – to sleek modern veneers, every square inch of the interior has been dressed to impress. Seating materials consist of DuoLeather and optional Windsor leather seats. Whilst other neat touches include an embossed Jaguar leaper on the front headrests and subtle ‘cricket ball’ stitching on the front sport seats*.

*R-Dynamic models only.

POWERED BY INGENUITY

 BUILD YOUR OWN

The beating heart of every XE is a powerful, British-built, Turbocharged petrol or diesel MHEV (Mild Hybrid Electric Vehicle)* engine. All engines are constructed of lightweight aluminium alloy which, combined with advanced low-friction technologies, delivers a refined, efficient and engaging driving experience.

*Market dependent.
VEHICLE SHOWN: XE R-DYNAMIC HSE IN CALDERA RED WITH OPTIONAL FEATURES FITTED (MARKET DEPENDENT)

PLANET-FRIENDLY EFFICIENCY

XE MHEV* features a 48V battery in addition to the more powerful diesel engine, resulting in a more efficient and refined drive than with a traditional internal combustion engine. MHEV allows you to drive more efficiently by using regenerated energy normally lost during braking and deceleration, reducing fuel consumption and CO₂ emissions, and is particularly effective in urban locations and during city drives.

Eco Mode encourages you to drive in a more efficient, planet-friendly way. It also helps cut your fuel consumption by moderating the energy demands placed on the engine by other systems such as Climate Control. A display on the Touchscreen keeps you in the loop as well as providing some helpful driving tips.

*Market dependent.

AND SAFETY

YOUR XE

Also, to help XE tackle winding roads, there's intelligent Torque Vectoring by Braking technology. On tight turns, it applies the brake to the inside wheel and directs more rotating force from the engine to the wheel with the most grip. The result is an exceptional combination of sports car-like agility, more consistent road holding and a feeling of added confidence when you're driving.

YOUR XE

JaguarDrive Control allows you to select from Comfort, Eco, Dynamic, and Rain, Ice, Snow Mode. Each mode has its own tailor-made programme which alters different parameters, such as engine and transmission response, steering feel, parasitic load management or traction and stability control.

The optional Adaptive Dynamics¹ system makes for enhanced ride comfort and dynamic body control using continuously variable damping technology. The system monitors multiple sensors that analyse vertical wheel positions, vehicle acceleration and steering inputs, as well as throttle and brake pedal activity to adjust the suspension damping settings. This provides a near-perfect balance of comfort, refinement and agility.

Adaptive Dynamics also includes Adaptive Surface Response (AdSR)¹². AdSR is designed to distinguish between different low-traction surfaces – like mud, ice, gravel and snow – and delivers the ideal torque split for the conditions.

¹The option shown has linked features. ²Powertrain dependent.

ENGINEERED FOR EMOTION

XE is the culmination of Jaguar's prowess at designing and building sports cars. A lightweight aluminium chassis and double wishbone front suspension enable the highest levels of handling and road holding, delivering a spine-tingling driving experience. It also features a sophisticated Integral Link rear suspension, which provides sharp response and handling, while still retaining a refined and luxurious ride.

A FULLY CONNECTED JOURNEY

SIMPLICITY AS STANDARD

No more endless menus. No more fidgety commands. Pivi, Jaguar's impressive and seamless in-car infotainment system, enables you to do 80 percent of your usual tasks with just one or two taps. All on the home screen. Engineered around a smartphone-like interface, it features an intuitive 10" Touchscreen that allows you to go right to what's needed, when you need it. Plus, you can now wirelessly connect your smartphone*, to enjoy your favourite compatible apps.

androidauto

*Compatible smartphones only. Your car is prepared for Apple CarPlay®. The services offered by Apple CarPlay depend on feature availability in your country, please see apple.com for more information. Your car is prepared for Android Auto™. The services offered by Android Auto depends on feature availability in your country, please see android.com for more information.

All in-car features should be used by drivers only when safe for them to do so. Drivers must ensure they are in full control of the vehicle at all times. Pivi and InControl features, options, third party services and their availability remain market dependent – check with your Jaguar Retailer for local market availability and full terms. Mobile network connectivity cannot be guaranteed in all locations. Information and images displayed in relation to the InControl technology, including screens or sequences, are subject to software updates, version control and other system/visual changes depending on options selected.

PREMIUM FUNCTIONALITY

Upgrade to Pivi Pro¹ and you'll enjoy fast start-up and even greater connectivity. With the Remote App² as standard, your XE is always in the palm of your hand. Preset your navigation, confirm your vehicle's location, check fuel levels and set the interior temperature – all before you've opened the car door. Along the way, intelligent re-routing can find you the best path to take, as well as update parking availability, fuel price comparisons, café locations and traffic hotspots. Intelligent and intuitive, it also learns your regular and favourite routes, so that Smart Voice Guidance can make sure your song won't be interrupted with unnecessary instructions. A 12,3" Interactive Driver's Display³ is optional, as is a Head-up Display⁴, which projects key information onto the windscreen in your line of sight, so you can focus on the road ahead⁵.

¹The option shown has linked features. Connected Navigation will require further subscription after the initial term advised by your Jaguar Retailer. ²Remote contains subscription services that can be extended after the initial term advised by your Jaguar Retailer. The Remote App will need to be downloaded from the Apple App Store/Google Play Store. ³The option shown has linked features. ⁴The option shown has linked features in some markets. Navigation directions on the windscreen only appear when Pivi Pro is fitted to the vehicle. ⁵In car features should be used by drivers only when safe to do so. Drivers must ensure they are in full control of the vehicle at all times.

ENTERTAINMENT FOR ALL

We know how important it is for you to stay connected. With Pivi Pro's Online Pack with Data Plan¹, you can enjoy your favourite music streamed from multiple services, including Spotify, Tunes and Deezer, right through your XE's speakers. As passengers, you can all take full advantage of the optional Wi-Fi Enabled with Data Plan^{2,3}, streaming entertainment with up to 20GB of data per month. Whether that's browsing your socials, playing online games, or immersing yourselves in a movie.

¹The option shown has linked features. Fair use policy may apply. Standard 1 year subscription, which can be extended after the initial term. ²The option shown has linked features. Fair use policy applies. After 20GB of data is used within a month, data speeds and functionality on vehicle may reduce for the rest of the month. For details of the Fair Usage Policy associated with this feature, please refer to the InControl Pivi Pro Terms at jaguar.com/pivi-pro-terms. ³Playback time is dependent on streaming provider and the definition of the video content. HD video will significantly increase data usage.

FEEL THE MUSIC WITH MERIDIAN™

Meridian™’s approach to in-car audio is all about managing the sound stage; intensifying the levels of depth, clarity and realism of the music, by using a combination of advanced acoustic technology and strategically positioned speakers.

Wherever you sit in the car, you’ll get the same concert-quality sound. Each strike of the piano, every guitar pick, horn blast, chorus and melody reveals itself with precision and texture, just as the artist intended. It’s intimate, dramatic and atmospheric – whether you’re enjoying the twists and turns of an open road or stuck in rush-hour traffic.

EXPLORE MERIDIAN™

6 SPEAKERS

1. SOUND SYSTEM

Gives new levels of realism to your favourite music with a combination of speakers, 4-channel amplifier, Audio Equalisation and Dynamic Volume Control.

12 SPEAKERS 1 SUBWOOFER 400W AMPLIFIER POWER

2. MERIDIAN™ SOUND SYSTEM

Brings detail and clarity to everyone in the car with strategically arranged speakers and a dual-channel subwoofer to deliver a full, sophisticated sound.

16 SPEAKERS 1 SUBWOOFER 650W AMPLIFIER POWER

3. MERIDIAN™ SURROUND SOUND SYSTEM

Enjoy an engaging, authentic concert hall experience as you’re enveloped in the fullness and clarity of side, front and rear speakers, seamlessly integrated using Trifield™ technology.

Meridian™ is a registered trademark of Meridian™ Audio Ltd. Trifield™ and the three fields device is a trademark of Trifield™ Productions Ltd.
Visuals aim to represent the perceived placement of the musicians based on an occupant seated on the right side of the vehicle.

MORE ROOM, LESS HASSLE.

 BUILD YOUR OWN

Multiple small item cubbyholes and side storage take care of all your essentials, such as smartphones or tablets, while the boot easily accommodates up to 394 litres¹ of luggage. Plus, optional Activity Key² is a waterproof and shockproof wristband you can use to lock, unlock and start your XE.

¹Wet volume is the industry standard, which is measured by filling the loadspace with liquid. Volume measured up to the headliner. Boot configuration and total loadspace will vary by vehicle specification (model and powertrain) and market. ²Activity Key can be charged in approximately two hours, providing up to ten days battery life.

YOUR XE

NOW YOU SEE THEM, NOW YOU DON'T.

When the view out of your XE's rear window is obstructed, our optional ClearSight interior rear view mirror* is the perfect solution. By means of a video feed from a rear-facing camera, it lets you see the road behind you, even if your rear view is obstructed.

*Subject to local regulations. If bifocal or varifocal users cannot easily adjust focus on the ClearSight digital rear view image, they may revert to rear view mirror mode at any time.

DRIVER ASSISTANCE

XE offers a host of driver assistance features as standard. Innovative Cruise Control and Speed Limiter keeps you to local speed limits, while Driver Condition Monitor tracks your fatigue levels, letting you know when to take a break. Optional packs are also available; Blind Spot Assist Pack increases your safety when changing lanes on the motorway, and the Driver Assist Pack helps make heavy traffic situations even easier and more comfortable.

WHICH XE ARE YOU?

XE

From its elegant refinements to its bold architectural lines, XE is exactly how an advanced, luxury sport saloon should be. It combines perfectly proportioned styling with Noble Chrome side vents, 18" alloy wheels, Polished Aluminium window surrounds, advanced driver dynamics, and cutting-edge technology. The expertly crafted interior is both beautifully functional and pleasing to the touch – exemplified by the soft grained leather split rim steering wheel.

XE R-DYNAMIC

R-Dynamic takes XE's sporting prowess to the next level – its highlights include sports suspension, a dedicated R-Dynamic body kit and leather steering wheel, and unique treadplates. Together with leather sport seats with contrast stitching and 18" Diamond Turned alloy wheels. Dynamic front and rear bumpers both feature Black grilles, whilst body-coloured sport side sills and rear valance emphasise the car's handsome, muscular stance.

IMPORTANT NOTE ON IMAGERY AND SPECIFICATION

We are living through exceptional times. Due to the Covid pandemic we have been prevented or delayed in the creation of new images of current model years. Now the global impact of micro chip shortages is further affecting build specifications, options and launch timings. Until this unique event settles, please note that many images cannot be updated to 22/23 model year specifications. Features, options, trim and colour schemes will differ from many images. Customers are urged to consult your local Retailer for detailed 22/23 model year specifications and do not base an order on marketing imagery and specification alone. Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles, parts and accessories and alterations take place continually, and we reserve the right to change without notice. Some features may vary between optional and standard for different model years. The information, specification, engines and colours on this website are based on European specification and may vary from market to market and are subject to change without notice. Some vehicles are shown with optional equipment and retailer fit accessories that may not be available in all markets. Please contact your local retailer for local availability and prices.

Vehicles shown throughout are from the Jaguar Global Range. Specifications, optional features and their availability may differ by vehicle specification (model and powertrain), or require the installation of other features in order to be fitted. Please contact your local Retailer for more details, or configure your vehicle online.

COLOURS

Image colours reproduced here are provided for illustrative purposes only. Colours are reproduced on-screen and may therefore vary compared to the actual finish. The company reserves the right to alter or withdraw any colour finish without notice. Some of these colours may not be obtainable in your country. Please check availability of colours and current specifications with your Jaguar Retailer. Distributors and Retailers are not agents of Jaguar Land Rover Limited and have absolutely no authority to bind Jaguar Land Rover Limited to any express or implied undertaking or representation.

ENVIRONMENTAL INNOVATION AT JAGUAR

Jaguar is committed to reducing dependency on fossil fuels, using fewer natural resources and creating less waste as part of our approach to responsible and sustainable business development.

Search 'Jaguar Environmental Innovation' for more details.

WLTP Consumption	Low	l/100km (mpg)	11,8-12,8 (23,9-22,1)			12,9-13,1 (21,9-21,6)	
	Medium	l/100km (mpg)	7,9-9,2 (35,8-30,7)			8,6-9,4 (32,8-30,1)	
	High	l/100km (mpg)	6,7-7,9 (42,2-35,8)			7,5-8,3 (37,7-34,0)	
	Extra High	l/100km (mpg)	7,5-8,9 (37,7-31,7)			8,3-9,4 (34,0-30,1)	
	Combined	l/100km (mpg)	7,9-9,1 (35,8-31,0)			8,7-9,5 (32,5-29,7)	
WLTP CO ₂ Emissions	Low	(g/km)	267-288			291-295	
	Medium	(g/km)	178-207			194-212	
	High	(g/km)	151-177			168-186	
	Extra High	(g/km)	170-200			188-212	
	Combined	(g/km)	179-206			196-215	

● Standard.

Class A (17" and 18" wheels with ULRR Tyres) Class B (17" and 19" wheels) Class E (20" wheels)

*The figures provided are NEDC2 calculated from official manufacturer's WLTP tests in accordance with EU legislation. For comparison purposes only. Real-world figures may differ. CO₂ and fuel economy figures may vary according to factors such as driving styles, environmental conditions, load, wheel fitment and accessories fitted. NEDC2 are figures calculated using a Government formula from WLTP figures equivalent to what they would have been under the old NEDC test. The correct tax treatment can then be applied.

**The figures provided are as a result of official manufacturer's tests in accordance with EU legislation. For comparison purposes only. Real-world figures may differ. CO₂ and fuel economy figures may vary according to factors such as driving styles, environmental conditions, load, wheel fitment and accessories fitted.

XE - DIMENSIONS

Vehicle Height

With roof antenna 1.410mm

Headroom

Maximum front / rear headroom with

Panoramic roof fitted 941 / 940mm

Maximum front / rear headroom with

fixed metal roof fitted 971 / 948mm

Legroom

Maximum front legroom 1.055mm

Maximum rear legroom 889mm

Loadspace Capacity

Height 402mm, Width 1.123mm

Loadspace width between arches 791mm

Maximum loadspace volume behind second row

Dry* 285 litres (270 on MHEV)

Wet** 394 litres (356 on MHEV)

Turning Circle

Kerb-to-kerb 11,58m

Wall-to-wall 11,96m

Turns lock-to-lock 2,58

*Dry: Volume as measured with VDA-compliant solid blocks (200mm x 50mm x 100mm).

**Wet: Volume as measured by simulating the loadspace filled with liquid.

Dimensions were measured with vehicle at unladen weight.
