

The Ceed

KIA
Movement that inspires

The new Kia Ceed. The right place, the right time.

If you're serious about enjoying every ride, you're invited. If you want to look the part while having fun, we speak the same language. And if you think dynamic styling should be met by dynamic drive, you've found your match. The new Kia Ceed instantly grabs your attention: the bold design features a dual-layered front grille framed by full LED headlamps and dazzling, Ice-Cube[®] LED Daytime Running Lights, a chrome window line. In short, it has everything to put the fun back into driving.

Pick your dream team.

Refined and intuitive in equal measure, in the Ceed everything is designed around the driver: the seamless, horizontal layout of the instrument panel creates a light and airy atmosphere. This sense of roominess is matched by soft-touch surfaces emphasizing the high-quality feel of the interior. Exceptional style is paired with innovative technology: the GT Line comes equipped with a 7" screen, and all Ceed trims come with Android Auto and Apple CarPlay compatibility as standard.

GT LINE EXTERIOR

Relish the attention.

The GT Line instantly catches your attention with its dual-layered front grille and air-blade style fog lamps dramatically housed in the front bumper. Sporty side mouldings with silver accents and 17" diamond-cut alloy wheels also emphasize this powerful look. And for a fitting finale, the rear features dual exhaust-pipe styling.

CONNECTIVITY

Stay tuned to your world.

On the move, yet always connected. In the new Kia Ceed, technology is simply effortless. In the K2 and GT Lines, you can also manage functions with integrated voice recognition, and use Bluetooth for all your music and calls thanks to its smartphone compatibility.

Smartphone Compatibility

Turn your car into an extension of your phone, and have access to features like voice control, maps, calls, messages, music and podcasts!

androidauto

Android Auto™ is designed to keep you perfectly connected to your phone – while minimizing distractions so you stay safe on the road. The simple, intuitive interface lets you access features like Google Maps, apps, music and voice control, and automatically organizes info into simple cards that appear just when they're needed.

Works with Apple CarPlay

Apple CarPlay™ is a smart, safe way to use your iPhone while driving. It takes all the things you might want to do, and puts them into your Ceed's display, so you can get directions, make a call and listen to music – all while staying focused on the road.

Smartphone with data plan required to activate services. Legal restrictions to these services may apply depending on country usage.

Wireless Phone Charger

Forget cables, just place your smartphone with Qi technology on the convenient Wireless Phone Charger. Not available in K2.

Protect yourself with advanced features.

Peace of mind is key to enjoying your ride. That's why the new Kia Ceed comes with innovative features and sophisticated technology to keep you and your passengers as safe as possible.

Rear-view camera

The Rear-view camera gives you the full picture when reversing into a parking spot by displaying dynamic guidelines on the navigation system screen to help guide you into place.

High Beam Assist (HBA)

When the camera in the windscreen detects the headlights of an oncoming vehicle at night, the High Beam Assist system automatically switches to low beam to avoid dazzling other drivers. Once the car has passed, the high beam is automatically switched back on.

Lane Keeping Assist (LKAS)

No need to worry about drifting out of your lane. The Lane Keeping Assist uses a camera mounted at the top of the windscreen to monitor lane markings, and if you move out of the lane unintentionally the system will alert you and even steer the car back into your lane.

Forward Collision-Avoidance Assist (FCA)

The FCA system can detect preceding vehicles as standard and pedestrians crossing the road. Using a camera and radar sensors to monitor the velocity of and distance between vehicles, it warns the driver in the event of a potential collision risk by activating a visual alert. In conjunction with optional pedestrian detection, the steering wheel gives a haptic response. If there is no driver reaction, the car brakes automatically to avoid or mitigate an accident.

Driver Attention Warning (DAW)

The system detects whether you're losing concentration by monitoring the pattern of the steering wheel, indicator, acceleration and overall duration of the journey. If you show signs of drowsiness or inattentiveness, DAW alerts you with a warning sound and a coffee cup symbol in the cluster.

Expect more.
Enjoy more.

Specifications

Engine	1.0-litre T-GDI – GPF	1.6-litre CRDi (low) – SCR
Transmission	6-speed MT	6-speed MT
Driveline	FWD	FWD

Fuel consumption (extra-urban) (l/100 km)*	4.6–4.9 (SW: 4.6–4.9)	3.6–3.7 (SW: 3.6–3.7)
Fuel consumption (combined) (l/100 km)	5.2–5.5 (SW: 5.2–5.5)	3.8–4.0 (SW: 3.9–4.0)
Kerb weight (kg) (max.)	1,352 (SW: 1,390)	1,449 (SW: 1,481)
Gross vehicle weight (kg)	1,800 (SW: 1,840)	1,880 (SW: 1,920)
Max. tow weight (kg) braked	1,200	1,200
Max. tow weight (kg) unbraked	600	600

The specified consumption and emission values were determined according to the legally prel) 2017/1153. The above values have been tested in the new WLTP, Worldwide Harmonised Light Vehicle Test Procedure, test cycle and converted additionally measured according to the RDE, Real Driving Emissions, method.

Manual transmission

The manual transmission combines quick, smooth gear changes and gear ratios matched to engine torque curves. The result? A perfect balance between power and efficiency.

Make room for more of you.

The new Kia Ceed Sportswagon not only offers more room for everyone on board – in fact its luggage capacity ranks amongst the best in the segment – it's also an expert at making space work for you. Whether it's the one-touch folding rear seats, or well placed luggage compartments – this Ceed is packed with ideas that take you further.

60:40 flat folding seats

Thanks to the split folding seats, the Sportswagon adapts to your needs – great for transporting sports equipment or other long items.

Boot space

With the rear seats folded, you'll enjoy 1,694 litres of luggage space. There are also two underfloor storage compartments to maximise your luggage area. A handy range of hooks and luggage nets help you keep your belongings secure and organised. Plus, a storage area under the boot cover can keep smaller items away from prying eyes.

GT/GT LINE

Choose the Ceed that makes
your heart beat faster.

K5

If style and comfort are top of your list, the K5 is your answer. Inside, you'll enjoy automatic temperature control, an 8" LCD navigation system and a full black leather interior. On the outside, 17" alloys add to the sporty feel, while privacy glass is added to the rear windows. Featuring a rain sensor, heated and ventilated seats, and smart key with push button start. In addition, the K5 also comes with Blind Spot Collision Avoidance and Intelligent Speed Limit Warning.

GT Line

The GT Line is all about sporty credentials – from the athletic exterior accents to the high-quality interior – complete with optional suede and leather upholstery and D-cut steering wheel.

Colour your fun.

With a choice of 7 body colours and 3 striking wheels, there's a Kia Ceed destined to be your personal favourite.

7-year vehicle warranty

This bumper-to-bumper warranty is free and transferable to subsequent owners, provided the car is regularly maintained in accordance with the servicing schedule.

5-year paint warranty & 12-year anti-perforation warranty

High-quality body paint ensures long-lasting protection and shine for your new Kia. It also comes with superior corrosion protection and a 12-year warranty against rust from the inside out.

Stay in touch with Kia

Visit www.kia.com for all the latest news and product launches. Find out more about Kia and our exciting new car range. Get updates on achievements in alternative fuel development, and discover what our Environment Research Centre is working on.

We're also involved in major sporting events: Kia is an official partner of both UEFA and FIFA. We sponsor the Australian Open and the tennis star Rafael Nadal. Here in Ireland, Kia is a proud sponsor of Community Games and The Kia Race Series.

Financing

Your local Kia dealer can help you with a financing plan that's best suited to your needs. Please ask for details.

Care-3

Our Care-3 plan means looking after your new Kia is a piece of cake. In order to keep your new Kia running like new, it has to be serviced every year. Now imagine having all the servicing your new Kia will need for the next three years sorted and paid for, in advance, and at a competitive price. Introducing Kia Care-3, the easy way to look after your new Kia, and protect your 7 year warranty.

The Kia 7-year warranty

Max. 150,000 km vehicle warranty. Valid in all EU member states (plus Norway, Switzerland, Iceland and Gibraltar). Deviations according to the valid guarantee conditions, e.g. for paint and equipment, subject to local terms and conditions.

All information and specifications are correct at the time of printing and are subject to change without notification. However some of the models and features shown in this brochure may vary from the models and equipment available here in Ireland. Please consult with your dealer to ensure that the vehicle you order has the specification you require. Due to the limits of the printing process, the car body colours shown may differ slightly from actual colours.
